\*You also have the option of eating dinner for \$1 at the race director's home, on Saturday night. Nothing fancy - just some pasta, salad and drinks. Please indicate so on your entry form.

\* A bathroom & 2 water fountains are located right on the race loop

\* No showers or changing facilities at the race site.

\* Racewalkers are welcomed. Any ability of competitor is welcome.

\* The race course is flat, is partially shaded and is mostly packed dirt (clay), which is soft for your feet.

\* The dirt loop can get slick if it rains (bring some good tractioned waffle shoes if it rains).

\* The course will have non-contestants walking and running on the loop since it is a city park; the course can get crowded the last 2 hours of the race if the weather is nice.

\* No lights are on the course, so bring a flashlight to find the sign-in table and bathroom before the sun comes up about 5:30.

\* Free parking - Overlook Rd. about 100 feet from the race site.
